TOP 12 MANGOSTEEN PERICARP OIL BENEFITS

- 1 / INTENSE MOISTURIZER** — The biofermentation process helps break down the molecular structure of the ingredients, and makes the nutrients more concentrated and more easily absorbed by the skin.
- 2 / TONER** — Add a few drops to your Toner and use it before adding Moisturizer.
- 3 / SCRUB** — Create your own facial scrub by mixing 1/2-cup of brown sugar with 2–3 tablespoons of Mangosteen Pericarp Oil.
- 4 / TUMMY OIL** — We've heard great stories from customers about rubbing Mangosteen Pericarp Oil on the stomach during pregnancy.
- 5 / AFTERSHAVE** — Mangosteen Pericarp Oil helps soothe skin after your shave.
- 6 / BODY MOISTURIZER BOOSTER** — Add a few drops to your body lotion.
- 7 / HAIR SERUM** — Great for care of split-ends. Non-greasy, absorbs quickly. After styling, apply few drops of Mangosteen Pericarp Oil to hair for a better shine.
- 8 / INTENSIVE HAIR MASK** — Take a generous amount to your palm and massage into scalp, and leave it in overnight for intensive moisturizing.
- 9 / LIP CARE** — Apply a few drops of Mangosteen Pericarp Oil and massage into your lips, then wipe away.
- 10 / CUTICLE CARE** — Great for cuticle care. Massage a few drops into and around your nails.
- 11 / HEEL CARE** — Massage in a few drops of Mangosteen Pericarp Oil to your heels, and wear cotton socks for a few hours.
- 12 / BATH OIL** — Add a tablespoon into the bath, then soak it up and relax!
